### Financial Status Report

The June financial status report to the congregation will be distributed on July 14<sup>th</sup> as part of the bulletin. Here is the advance summary of the report:

- Current Month: June income was more than expenses by \$11,103. Income was more than the budget by \$7,917. Expenses were slightly less than the budget by \$272.
- Year to Date (YTD): January through June income exceeded expenses by \$13,277. YTD income was less than the budget by \$1,179. YTD expenses were less than the budget by \$14,388.
- Significant Factors: Donation income was up significantly in June thanks to annual pledge receipts and increased non-pledge income. Our unrestricted cash balance at the end of June increased to \$27,591 (up \$11K from prior month).

### Safety and Security Fund Donations Needed

A Safety and Security Fund was approved for the purpose of supporting security related start-up costs for the current year. In particular, these donations would allow us to hire off-duty deputy sheriffs starting late this summer. These expenses were not in our 2019 operational budget but will be submitted for 2020 budget. The committee estimates that \$2500 would cover the August – December period. We have received about \$1,775 so far. Donations should reference “Safety and Security” on your check or envelop. In addition, the Safety and Security fund is listed on the e-giving page for designated fund donations.

### e-giving: Make your donations to St. Paul’s Waccamaw UMC with online giving

e-giving makes it easy to donate to the church. It is easy to setup a recurring donation that takes place automatically. If you want to control when donations are made, you can make one-time donations via e-giving, also.

We have grown to over 50 active e-givers. For the first 6 months this year, we have received \$52K in e-giving donations (over 20% of total giving contributions). This means we are on track to break \$100K in e-giving in 2019!

E-giving provides a more predictable donation cash flow, decreases the time required to process donations, increases security (less cash / check handling) and provides greater convenience for you in managing and making donations. If you write a check each week or month, e-giving will work for you. Sign up today for e-giving – start by going to [www.saintpaulsumc.com](http://www.saintpaulsumc.com) web page.

e-giving tips:

You can use automatic bank account deductions (ACH) or credit cards for e-giving

1. Tip: bank account auto-drafts (ACH) are the most cost-effective way to donate via e-giving. Consider a monthly draft, vice weekly as it will reduce transaction fees.

2. Tip: You can elect to offset processing expenses associated with credit cards when you use a credit card for e-giving.

### **July 28<sup>th</sup>—Special JOY Class Visitor—Stephen Dunlap**

Join us at 10 AM during Sunday school hour as we host Stephen Dunlap, an American missionary from SC, who along with his wife and 2 children, has been working among Muslims in Jordan since 2011. Their goal is to share the good News of Jesus Christ as Savior. This is your opportunity to hear firsthand the challenges faced by Christians living in the Middle East—and to have your questions answered.

**The Chancel Choir** has openings in all sections, soprano, alto, tenor, and bass.

There is no audition, however, a background of some choral experience, would be most helpful.

Please call, Robert Baxter, Chancel Choir Director at 843-650-4315 for an appointment.

**Would you like to celebrate God's grace in your life? Ways to praise God in a casual setting? The Praise Band has a place for your voice!! Come and let us celebrate together!! See Chuck Gee**
